

GARBAGE SERVICE

A Range of Options for Multi-Family Complexes

Allied Waste Services collects garbage at least once a week from all multi-family residential complexes in the City of Antioch.

Property managers and owners have a range of options to fit the level of garbage service needed for their property.

Allied Waste Services can provide:

- Carts. These are available in sizes that range from 32 to 96 gallons.
- Dumpsters. These are available for complexes with larger volumes of refuse. They can range from one to eight cubic yards of capacity.

For assistance in choosing the type of service that fits your needs, call one of our customer service representatives at (925) 603-1383.

Free Waste Assessment

Allied Waste Services also has a Recycle Coordinator who can provide a free waste assessment to determine how much of your current solid wastes may be diverted to recycling or yard waste services. To arrange a free assessment, call (925) 671-5806.

Blue Carts for Refuse

The blue refuse carts are suitable for complexes with smaller volumes of garbage where one or more of the carts are enough to handle the amount of refuse generated by residents. To order or for information, call (925) 603-1383.

Size	Height	Width	Depth	Footprint
32 gal.	38.5"	19.0"	22.0"	2.0 sq. ft.
64 gal.	42.0"	25.5"	27.0"	2.5 sq. ft.
96 gal.	46.5"	26.5"	33.5"	3.0 sq. ft.

Trash Bins for Refuse

One of the larger trash bins with no wheels. To order or for information call (925) 603-1383.

Printed on Recycled Paper

RECYCLING SERVICE

The State of California has required cities to divert 50 percent of their waste stream from the landfill. In order to meet this goal, the City of Antioch needs the cooperation of both residents and businesses.

Single family homes must pay for curbside recycling and yard waste programs.

To do your part, the City is requiring that all multifamily complexes have recycling programs.

Brown recycle carts and a bin for cardboard, if space allows, will be provided for a fee.

Successful recycling programs will allow you to reduce your garbage service and possibly save money.

The carts should be in the same location as your refuse carts or dumpsters. Except for cardboard, separating recycling materials is not necessary: newspapers, paper and plastic,

glass and metal containers all go into the brown carts. Broken down cardboard should go in the bin. To recycle:

- Have residents store recyclables in their apartment or condo in a place convenient for them. Apartment recycling containers for indoor storage are available at no charge by calling us at (925) 671-5806.
- When ready, residents can take the recyclables and place them in the brown recycling cart. The carts are serviced weekly on the same day as your complex's regular garbage service.

Recycle Coordinator, Guide to Recycling

Allied Waste Services has a Recycle Coordinator who is available to meet with residents and has recycling guides that you can hand out to residents. If you need guides or would like the coordinator to meet with residents, call (925) 671-5806.

Free Waste Assessment

The Recycle Coordinator can conduct a free waste assessment to see what level of service your complex needs. For a free waste assessment call (925) 671-5806.

OK TO RECYCLE

Paper

Books (paperback)
Boxes, packages
Carbonless paper

Carbon paper
Food and snack waste
Mirrors
Plastic bags
Polystyrene
Restroom waste
Shrink wrap
Spiral, bound notebooks
Styrofoam (even #1-#7 with chasing arrows)
Tyvek (overnight envelopes)
Window glass

HAZARDOUS WASTES

It is illegal to place hazardous and electronic wastes in the garbage. None of these materials should ever be placed in dumpsters at apartment, condominium and other multi-family complexes.

Property owners of a complex are responsible for the removal of any hazardous or electronic waste in a dumpster, whether generated by the complex or not.

If the hazardous or electronic waste is not removed, Allied Waste Services will charge the complex a hazardous waste disposal fee.

For information regarding what Allied Waste Services considers hazardous and electronic waste, call (925) 603-1383 or go to <http://awsccc.com>.

Residents of your complex may recycle some hazardous wastes such as oil filters, used motor oil, antifreeze, latex paint, fluorescent tubes and car and household batteries at the following local recycling facilities:

- ♻️ **Allied Waste Services Recycling and Drop-off Center**, 133 S. Buchanan Circle, Pacheco. Hours: 8 a.m.-4 p.m. Monday-Friday. Closed Saturday. Phone: (925) 685-4711.
- ♻️ **The Delta Household Hazardous Waste Collection Facility**, 2500 Pittsburg-Antioch Highway, Antioch. Call (925) 756-1990 or go online at www.ddsd.org.

Appliances

State law prohibits putting refrigerators, freezers, air conditioners or other appliances with Freon in garbage.

State law also prohibits any mercury-containing appliances such as microwave ovens, clothes dryers, water heaters, furnaces and space heaters in garbage.

Allied Waste Services will pick up hazardous appliances at your property for a fee. For more information or to arrange a pickup, call (925) 603-1383.

Computer Monitors, Television Sets

State law prohibits putting TVs and computer monitors (CRTs) in garbage. Allied Waste Services will pick up TVs, computer monitors, and electronic waste items at your property for a fee.

For more information or to arrange a pickup, call (925) 603-1383 or go to <http://awsccc.com> and click on "Allied Waste News" for a list of free e-waste events.

YARD WASTE SERVICE

Multi-family complexes that generate yard waste may request a green cart for yard waste service by calling an Allied Waste Services customer service representative at (925) 603-1383.

There is a fee for yard waste service.

Ask our customer service representative about rates for varying levels of service.

Green Carts for Yard Waste

Yard waste carts are available in 96-gallon sizes. You may order one or more for your complex. You may also call (925) 671-5806 for a free waste assessment to see what level of service you need.

Size	Height	Width	Depth	Footprint
96 gal.	46.5"	26.5"	33.5"	3.0 sq. ft.
